Dear Parents/Carers

I am writing to acknowledge the incident of Friday 23 June which led to our school enacting a lockdown procedure in order to protect the safety of all students, staff and visitors at our site.

The lockdown responded to a student incident.

Regrettably the lockdown caused school bus services to be delayed until the safety of the school community could be guaranteed.

The Department of Education and Child Development is supporting the school by providing the necessary services for the students and staff.

If you have any questions or concerns related to the safety and wellbeing of your child, please discuss them with the student counsellor, Christina Henriksson, or myself at the school on 85685100.

Kind regards
