

17 March 2020

Dear Parent/Caregiver

As our community is in uncharted waters at the moment, The Department is working closely with SA Health and we are following their best advice to slow the spread of the COVID 19 virus.

Please be advised following the advice from a webinar held yesterday with the Premier Minister for Education and SA Health's Acting Chief Medical Officer with the most up-to-date health advice and recommendations are for all non-essential excursions and camps to be postponed. The safety and wellbeing of our students, staff and community is at the forefront of our decisions.

The Year 8 camps scheduled to commence from 18-20 March and 25-27 March will no longer go ahead as planned in Term 1. We are currently negotiating new dates and will provide you with this information as it becomes available. Camp payments and fees will be transferred to the new dates.

We appreciate your understanding and support. If you have any camp queries, please contact Petra Hunt on 8568 5100.

Kind regards
